G.Letter No. 251 18/8 Nov.

326-11-10 from the Secy
to the Committee of
Management, U. P. Exhibition
Association requesting that
a declaration that 'The Allahabad
Exhibition is an agricultural
and industrial exhibition'
within the meaning of the
Indian Patents Act 1900
be placed in
the Mysore Gazette.

It is not clear under whose
signature the ~~signature~~
declaration has to appear.
As the signature of the Secy
to the Association is illegible
a draft notice ^{will be} put up
without the name of the Secy.

slips, the notes must be copied, or slips
pasted on this form.

be a better course.

The Secretary of the Exhibition
Committee apparently requests
the ~~publication~~ ^{publication} of a declaration under
Sec 26 of the Inventions and
Designs Regulation XI of 94. Such
Certificate ~~or~~ declaration has to
be made by the Govt; and this
may be done if the Govt decide
to comply with the request of
the Committee.

— No such certificate has, ^{it is understood,} hitherto
been published in respect of
any Exhibition. The ~~act~~ result
of the application said to have been
made to the Govt of India may
perhaps be awaited, the Secy.
being asked to intimate the action
taken by that Govt on his application.

No. G 3603

Dated 14.12.10

Inventions and Designs

Notification

The United Provinces Exhibition

Notification under Sections 26 & 54
of the Mysore Inventions and
Designs Regulation, XI of 1894.

Whereas the Inventions and
Designs Regulation (XI of 1894)
amongst other things provides,
by Section 26, that if an inventor,
being the exhibitor of his invention
at an industrial or international
exhibition, certified as such by the
Govt of H. H. the Maharaja of
Mysore, causes an application
~~to be filed~~ for leave to file a
specification of the invention
to be delivered to or received
by the Secretary to Govt, Genl & Rev
Dept, within six months from
the date of the admission of

(6)
of the invention into that
exhibition, the invention shall
not be deemed to have been
publicly used, or made publicly
known, within the meaning of
this part, by reason only of the
invention having at any time
after admission into the exhibition
been publicly used or ^{made} publicly
known.

And whereas the said Regⁿ
further provides, by Section 54, that
if the proprietor of a design exhibited
at an industrial or international
exhibition, certified as such by
the Govt of H. H. the Maharaja
of Mysore, causes an application
for an order for the registration of
the design to be delivered to or
received by the Secy to Govt, Genl
& Rev Dept. within six months
from the date of the admission of
the design into that exhibition,
the design shall not be deemed
not to be a new and original
design not previously published
in the Territories of Mysore within
the meaning of Section 51 by
reason only of the design having
been exhibited at the exhibition.
